Dear Professor ,

I hope you are doing well. As the faculty coordinator for Viwentiaa 2026, I wanted to update you on where our committee stands with the preparations.

Completed so far:

- Finalised the event list and the schedule for both days
- Designed the poster and shared it on our social media pages
- Opened registrations, and we have received 400 entries so far
- Booked the venues and the sound and projector setup
- Contacted 5 sponsors, and 3 have confirmed

Still to be done:

- Confirming the judges and the chief guest
- Printing certificates, banners and ID cards
- Collecting the remaining sponsorship amount

We are a little behind on the sponsorships, but we are following up and expect to close them by tomorrow. We plan to finish all the remaining work ,3 days before the event.

Could we meet you sometime this week for a short review and to get your approval on the budget and the final schedule? Your guidance would really help us.

Thank you, Professor.

Yours sincerely,
Vardhan
